ERR-RESPONSE &
PREVENTION BR

Dear Environmental Reports Coordinator:

In early 2004, the New York State Department of Environmental Conservation (NYSDEC) sent you a 2003 hazardous waste report instructions and forms booklet and regulatory fee information form. If your facility is a large quantity generator, or a treatment, storage or disposal facility that receives hazardous waste from off-site, Environmental Conservation Regulations at 6 NYCRR 372.2(c)(2) and 373-1.6(a)(12)(ix) require you to file a report of hazardous waste activities for the previous calendar year **by March 1** of each year.

Based on NYSDEC manifest records for the year 2003, it appears your facility is required to file a 2003 Hazardous Waste Report. As of the date of this notification, NYSDEC has not received a 2003 report from your facility. **If you believe you are not required to submit a report, you must still submit the Site ID form** included in the back of the instructions and forms booklet, along with the hazardous waste regulatory fee information form, and the zoning and hazardous waste questionnaire.

Your 2003 hazardous waste report is now late. To avoid enforcement action, your completed report must be received no later than **15 business days** from the date of this letter. The report and fee form should be sent to:

New York State Department of Environmental Conservation
Division of Solid & Hazardous Materials
Bureau of Program Management - Hazardous Waste Manifest & Reporting Section
625 Broadway - 9th Floor
Albany, New York 12233-7250

If you need an additional copy of the reporting instructions or forms, or have questions on *give* completion of the forms, please call (800) 452-1925 (New York State only) or (518) 402-8738. My staff will be available to assist you. We can also be reached by e-mail at ejrobbin@gw.dec.state.ny.us. Instructions and forms are also available on the Department web site at www.dec.state.ny.us, under *Subject Index, Hazardous Waste Annual Report*. Annual Reports can also be completed on-line at www.arminc.net. For questions on the regulatory fee information form call (518) 402-8610, and for questions on the zoning and hazardous waste questionnaire call (518) 402-8629.

Sincerely,
